

## Headteacher Message

Dear Parents/ Carers

In the June newsletter, the staffing for next year will be shared and there will be a look back at the wonderful events and trips we have had in June. The school has made the most of the beautiful Summer weather in June, to maximise outdoor learning- with 2 of the classes having a seaside theme. We enjoyed two excellent sport's days, where the children developed their competitive sprints and long distance running. In school, the children have been developing their other athletic skills such as jumping and throwing. Thank you families for supporting your children's attendance- we are thrilled that St Mary's school is in the top 10% in the country for attendance. and rank very highly across our Academy schools. It is just punctuality we need to improve now. Congratulations to Mr and Mrs Brown on more good news of the birth of their beautiful baby boy.

It is lovely to share the good news, that the Junior playground will be resurfaced in the October half term. I thank parents for their understanding on this matter, as securing the funding for this from the DFE has taken work from our Academy, due to school budgets being so tight. The resurfacing is unable to be completed in the Summer holidays, due to six weeks of work being completed on the school roof. The contractor's vehicles will need to be parked on the playground.

It is wonderful to see the trim trail being used fully now on the Junior playground and the children enjoying the ice poles at lunchtimes in this hot weather. Thank you to all parents for supporting the fundraising of the FOSM and to the FOSM for their time and hard work on making the events at school for the children so enjoyable. Please do come along and support the St Mary's Summer Fete on Tuesday the 1<sup>st</sup> of July- it will be great- with character appearances from Bluey and Bingo. Summer Safety- please send children in with hats and refillable water bottles. Thank you.

Miss Jordan
