

Our School Prayer

A message from the Chaplains

Our School Prayer

Loving God, we thank You today,
For St Mary's school, our guide and
our way. Bless our friends, our staff,
and all,
Help us listen to Your call.
With Mary's care and Jesus beside,
We'll learn and grow with hearts open
wide.
We grow with Jesus, loving and happy,
To be the best that we can be.
Amen.

Dear St Mary's family,
Our chaplains have been working hard
to rework and create a new school
prayer that reflects our mission, "To
grow with Jesus and be the best we can
be"

They have also made a short video to
model the prayer with actions, so
everyone can learn it easily and join in.
We encourage all students and staff to
watch the video, practise the actions,
and say the prayer together during
Celebrations of the Word, assemblies,
class reflections, and at home.
Let's all take part in this special prayer
and show how we can live our values
every day.

Chaplains lead us in our new school prayer!

Loving God, we thank
You today,
For St Mary's school,
our guide and our way.
Bless our friends, our
staff, and all,
Help us listen to Your
call.

With Mary's care and
Jesus beside,
We'll learn and grow
with hearts open
wide.
We grow with Jesus,
loving and happy,
To be the best that we
can be.
Amen.

Well done, everyone! 🙌

Now that we've watched our chaplains model the new school prayer with actions, let's all have a go together. Remember, this prayer reminds us to:

- To grow together with Jesus
- Be kind to each other and our world
- To be the best we can be together

Let's practise saying the prayer together and using the actions, so we can live our values every day at St Mary's.
