### **Our SEND Intent**

St. Mary's Academy believes that our pupils are entitled to a safe and caring learning environment which supports and challenges them in a way which reflects high expectations and the opportunity to maximise potential for individual attainment. The school provides a broad and balanced curriculum for all our pupils, including those with SEN, and ensure full curriculum entitlement and access.

St. Mary's aims to develop the ability of each pupil in terms of competence as learners and also as individuals with a sense of self-worth, responsibility and concern for the needs of others. Our school is committed to maximum integration, whilst meeting individual needs and a high-quality learning experience through the effective use of resources.

# SEND at St Mary's

Number of children in school 204

Number of SEND pupils 32 (15.5%)

Number of pupils with EHCP/top-up 8 (3.9%)

SEND & EHCP numbers at St Mary's are above national averages.

We make provision for ALL children including those who have learning difficulties and/or disabilities. We support children with:

- -Communication and Interaction (CI) e.g. Speech and language and autism
- -Cognition & Learning (CL) e.g. Dyslexia, Dyscalculia, moderate learning difficulties.
- -Social, Mental and Emotional Health (SMEH) e.g. Autism spectrum disorders
- -Sensory and/or physical (SD) e.g. visual impairment.

# Quality first Teaching

'Every Teacher is a Teacher of SEN'. Provision for children with SEND is a matter for the whole school. The governing body, the school's Head teacher, the SENCO and all other members of staff, particularly class teachers and teaching assistants, have important day to-day responsibilities. All children in school should be getting this as a part of excellent classroom practice. For your child this would mean:

- The Teacher has the highest possible expectations for your child and all pupils in their class.
- -Teaching is based on building on what your child already knows, can do and can understand.
- -Different ways of teaching are in place so that your child is fully involved in learning
- Specific strategies are in place to support your child to learn.
- -Assessment Your child's teacher will have carefully checked on your child's progress and will have decided that your child has a gap in their understanding/learning and needs some extra support to help them make the best possible progress

### What is SEND?

SEND stands for Special Educational Needs/Disabilities Indicators of possible SENDs are...

- > Not similar to progress of peers starting from baseline
- > Below previous rate of progress
- Attainment gap remains **the same or widens** between them and their peers
- >They do not make adequate progress despite appropriate interventions and adjustments and good quality personalised teaching.
- > Below expected rate of development (physically and mentally).
- >A significant difference in learning styles.
- ➤ When a **SpLD** may be present.

If it is agreed by teachers, parents and the SENDCo then a child will be placed on our School SEND Register.

# Assessing and Identifying

- Teachers begin 'SEND Request' documents when they have a concern about a pupil's progress.
- Teachers assess all pupils at key data points using in school assessment systems.
- The SLT meet after assessment periods to identify groups who may require additional and/or different support.
- Children who have SEND are continuously tracked using the Assess, Plan, Do, Review Cycle every 8 to 12 weeks. This tracking is based on personal targets.
- The school also uses other forms of assessment such as checklists, behaviour and attendance monitoring, small step trackers, Pre-key stage standards, assessments from other professionals and personal assessments linked to each individual.

# Partnership -Other Professionals

- The SENDCo works closely with a variety of professionals.
- Currently, Speech and Language Therapist, Educational Psychologists and Specialist Teaching services and medical professionals are all involved with a variety of pupils.
- The school will regularly communicate with health professionals including GPs and community paediatricians
- The school refers to the school nurse
- Joe Dawson, Educational Psychologist, also works closely with the School and SENDCo
- The school is part of the St Thomas Aquinas Catholic Multi-Academy Trust and works closely with a variety of specialist leaders.

# **Graduated SEND Systems**

#### **SEND Graduated Approach** All pupils Quality first teaching & Adaptations Pupil Some pupils Stage 1: Pupil Passport -SEND/Monitoring/PP) **Passport** Stage 2: Class Outcome Plan COP A few pupils (SEND/Monitoring/PP) Stage 3a: Personal Outcome Plan (High Needs SEND & Very few pupils EHCP) Stage 3b: Timetable of Support (High Needs & EHCP)

## **Provisions and Interventions**

#### Provision across the school varies from...

- One to one support
- Small group support
- Intervention Group Support
- Pre-teaching (intervention before whole class teaching) Proactive.
- Overlearning (teaching concepts over and over again)
- Post-teaching (intervention after whole class teaching) Reactive.
- Immediate teaching/intervention (on the spot).
- Precision Teaching (personalised teaching programmes).
- ELSA Support (Emotional Literacy Support)
- Sensory Circuits
- Speech and Language Therapy.

### **Alternative Provision**

#### External Alternative Provision

- Although rare, the school has used external Alternative Provision (AP).
- > AP is only used when all previous strategies, approaches and external professionals have been exhausted.
- > The school has robust Safeguarding procedures in place for any pupil attending an AP.
- The school follows strict guidelines set by the St Thomas Aguinas Catholic Multi-Academy trust.
- AP is intended to be used for a short period of time with clear 'exit' criteria.

### Education, Health and Care Plans

- An EHCP is a legal plan which grants the pupil and family additional funding to help support their learning in school. Usually, the funding is given to schools to use and implement in the best way to support the individual.
- In order to obtain an EHCP, a school must demonstrate support for a pupil at or around £6,000 (15 hours).
- You can find more information about EHCPs from the school SENDCo or the Local Authority website.... <a href="www.leics.gov.uk/local\_offer">www.leics.gov.uk/local\_offer</a>
- The SENDCo is experienced in identifying pupils who may require an EHCP.

### Education, Health and Care Plans

- Leicestershire Local Authority currently communicates levels of funding in the form of TA allocated hours – e.g. 25 hours. These levels of hours are based on a 2012 TA pay scale.
- As a school we endeavour to clearly communicate with parents/caregivers regarding levels of funding (see table below) and how this is used.
- We endeavour to ensure that children in receipt of an EHCP have the correct level of funding needed to match their provision and needs.

EHCP Hours	Actual TA hours including school contributions	Actual Additional funding (TA hours)
15	8.6	1.2
20	11.5	4.1
25	14.4	6.9
27.5	15.8	8.4
32.5	18.7	11.2

# **Emotional Literacy Support**

At St Mary's we recognise that there will always be children facing life challenges that detract from their ability to engage with learning. As a result, some children will require greater support to increase their emotional literacy than others. We offer ELSA support at St Mary's alongside partnership work with the Mental Health Support Team.

### SEND & the Curriculum

- We recognise that children identified with SEND have strengths in a variety of subjects.
- It is our intent to ensure that barriers to learning are removed to ensure our SEND children succeed in the wider curriculum.
- Our curriculum is creative, imaginative and meets the needs of all pupils. Giving them transferable knowledge and skills for the next stage in their education.

# Training and Expertise

- The SENCo has the National SENCO Award and is a Specialist Leader of Education (SEND)
- We aim to keep all school staff up to date with relevant training and developments in relation to the needs of pupils with SEN.
- The SENCO attends relevant SEN courses, Family of Schools SEN meetings and signposts relevant SEN focused external training opportunities for all staff.
- Staff members responsible for the support of our SEN pupils have experiences and qualifications supporting pupils with MLD, Attachment, positive handling, dyslexia, ELSA, ASD, ADHD and speech and Langauge.

# Resources and Equipment

- Sensory cushions and resources.
- Coloured Overlays
- Pencil grips and specially designed pencils and pens.
- Sand timers.
- Fine/Gross motor skills activities
- Widgets (visuals to support communication)

### **Transition**

- One of the benefits of being a close, family orientated school is that children know the majority of staff. Despite this, we still endeavour to ensure class teachers meet to discuss SEND pupils and that children have an opportunity to be taught by their new class teacher.
- Also, it is the little things that help children with SEND settle into a new class. E.g. where their new peg will be and where they will sit.
- The SENDCo will endeavour to meet with your child's secondary school SENDCo to ensure they fully understand your child's needs.
- Additional transitioning is arranged as well as normal transition days for Secondary.
- If your child is due to transfer to a specialist provision, we will often facilitate transitioning by inviting your chosen secondary school to your child's October Annual Review (EHCP only).

# Concerns / Complaints

- First, speak with your class teacher.
- Second, speak to the SENDCo (if SEND related)
- Thirdly, speak to a member of the SLT (e.g. Head Teacher)

If this does not resolve your concern, see our complaints policy.

# **Governing Body**

The **SEND Governor** is the Governing Body's champion for Learners with **SEND** and those with inclusion needs. He or she will support and challenge the school to ensure that no Learner is treated less favorably, denied opportunity or left behind because they have additional needs.

The SEND governor and SENDCo work closely together and meet approximately once every term.
